This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

- *Key Indicator 1: Increased confidence, knowledge, and skills of all staff in teaching PE and sport.*
- *Key indicator 2: The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity per day, of which 30 minutes should be in school.*
- *Key indicator 3: The profile of PE and sport is raised across the school as a tool for whole school improvement*
- *Key indicator 4: Broader experience of a range of sports and activities offered to all pupils.*
- *Key indicator 5: Increased participation in competitive sport.*

Review of spend and impact

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Interschool competition	Training a range of teams in a range of sports, widening participation and promoting inclusion. Hockey, Rounders, Boys and Girls football, Netball, Athletics Cross Country	Build upon next year, expand range of sports and attendance at inclusive games.
Dance Specialist lead (sessions with Teachers shadowing)	Continues to Increase confidence and skills of staff in teaching Dance. Always achieves very high engagement from pupils, fully inclusive.	Continue to build upon this for the 5 th year. Increase element of Mousehole Teacher direction, with guidance.
Play pod Update	Has diversified the play opportunities at breaktimes, high engagement in physically actives breaks.	Consider what other enhancements can be made to include all ages.

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study
