

MOUSEHOLE NEWS

Friday 3rd February 2023

Dear Parents and Carers,

Another productive week at Mousehole school with many sporting success this week as well as welcoming parents and grandparents in for various events.

It was lovely to welcome the Year 2 parents and grandparents to share lunch today with their children. Hope you all enjoyed your fish and chips, it is always joyful to see you in school and your children were delighted. Thank you Bex and Sarah in the kitchen for hosting this event.

The girls football team played Trythall School on Tuesday winning 4-2. A fantastic achievement from the whole team, demonstrating that with determination, resilience and teammanship it is amazing what you can achieve!

Hector, Henriette, Coco and Orson all represented the school in the Cross Country race at St Ives Rugby Club Monday. Mr Ansell said they all did a fantastic job representing the school and are working hard to qualify for the Cornwall School Games later in the year.

Next week is Children's Mental Health Week and Safer Internet Day is on Tuesday 7th February, we shall be addressing both of these areas as part of our PSHE curriculum. Please find attached this months Online Safety Newsletter to keep you up to date with this ever changing area, to ensure your child is safe using technology.

A huge thank you to Mrs St Pierre and the EYFS Team, Sophie, Adrienne, Ruth, Linda, John and Dax for transforming the EYFS playground over the past 2 Thursdays they have done an amazing job clearing and painting the area to make it more inviting and accessible for the children's outdoor provision.

Please can you ensure that your child has a coat and water bottle in school and brings in a healthy snack not crisps or chocolate/chocolate covered bars.

Our recyclable uniform rail has been very popular and we would like to have any old uniform washed and cleaned to recycle as we are running out. If you would like to leave a small donation in the black box opposite it would be greatly appreciated.

On Friday 10th February the children can wear red in support of the Air Ambulance as this is an invaluable service for us in Cornwall. All donations to be given to class teachers.

You child should have bought home your parent consultation times if you have booked an appointment. We look forward to seeing you on Wednesday 8th February.

Mousehole Mice and Dinghy will be holding a cake sale at 3pm after school on Friday 10th February outside the EYFS playground. We look forward to seeing you there.

Thank you for ensuring your child is in school by 8.50am each morning ready to line up and go in promptly.

Hope you have a restful weekend.

Best wishes

Sarah Trow

Online Safety Newsletter

February 2023

How old is your child online?

Has your child (or you on their behalf) signed up to access social media/or a game online but have said that they are older than they are so they can have an account? For example, did your 8 year old join TikTok and put their age as 13 or did you create their account and put your own age? If so, please read some of the implications outlined below that you should think about.

If TikTok thinks your child is 13 when they join but they are in fact 8, then by the time your child reaches 13, the app will think they are 18. This puts your child at risk of viewing content that is not age appropriate and may mean your child will view adverts aimed at adults.

In addition, now the app thinks your child is an adult, they will have access to all functionalities (whereas some apps place restrictions on access to under 18s for example to direct messaging).

The following news article from Ofcom explains this in further detail as well as providing tips to help keep your child safe online:
<https://www.ofcom.org.uk/news-centre/2022/risks-of-children-using-false-ages-on-social-media>

Age ratings

Parent Zone provide some advice on age ratings and why they matter in this blog:
<https://parentzone.org.uk/article/age-ratings>

PUBG (PlayerUnknown's Battlegrounds)

PUBG is available on multiple platforms and is **rated 16+ by PEGI**, therefore it is not suitable for persons below 16 years of age. PEGI state that this game has been rated PEGI 16 "due to frequent, moderate violence towards human characters and encouragement of drug use" (<https://pegi.info/>).

PUBG is an online multiplayer game, in which a group of players play against each other until they are the only remaining player. One hundred players are dropped on to an island and they need to search for items, such as backpacks, body armour and guns.

What do I need to be aware of?

Parents need to be aware that this can be an addictive game, in game purchases are available and due to the live chat, inappropriate or offensive language may be heard/seen.

If your child is playing this game, then make sure they know how to use the reporting and blocking facilities within the game and they know to speak to a trusted adult should they need to.

Further information

Bark provides further information on PUBG as well as how to apply settings:

HiPal – Walkie Talkie

HiPal – Walkie Talkie is a social media app and rated 12+ on the App store and for 'Teens' on Google Play.

When first accessing HiPal, it asks you if you are under or over 12 years of age. The area available to under 12 year olds states that no stranger interaction can take place. Users with this account type invite friends by sharing a code/QR code. As with all messaging apps, there can be instances of cyberbullying, so it is important to monitor who your child is interacting with.

If a user selects that they are over 12 years of age, then there is the risk of communication from strangers. HiPal features a public square where you can message strangers as well as an explore tab where you can view people's images and videos from around the world. There is a risk of viewing content that is not suitable or inappropriate. There are reporting and blocking features within the app. You can find out more from Safer Schools NI here:

Fall Guys

Fall Guys is a free, online multiplayer game in which players team up to take on obstacle courses and puzzles to try and be the last player standing. Fall Guys is available on multiple platforms.

Whilst this game has a PEGI rating of 3 (suitable for all ages), you need to be aware that up to sixty people will be playing in one game at the same time and it does have the option of **voice chat** and **in-game purchases**. Voice chat is off by default and is not needed to play the game. An Epic Games account is required to play Fall Guys, which does include parental controls. You can find out more here:

<https://www.epicgames.com/site/en-US/parental-controls>

Instagram: new features

You must be at least 13 years old to have an Instagram account.

Instagram have introduced several new features, including 'Quiet mode,' how to hide content as well as additional tools to help your child.

Quiet mode

This gives users the ability to put their account in quiet mode, so you do not receive notifications and if you receive a DM, the sender receives an auto reply. This mode will help provide less distraction whilst studying and at nighttime.

Recommendations

You can now hide content in Explore that you do not wish to see/are not interested in. Instagram will use this information to avoid showing you that type of content in other areas where content is recommended as well.

Hidden words

You can already hide comments and DMs containing specific words, but this feature has now been expanded to recommended posts. If you add a word, emoji or hashtag that you want to avoid to your hidden words (in privacy settings) then Instagram will try to no longer recommend content with those words in the caption/ hashtag.

Updated Parental Supervision Tools

You can see your child's Instagram settings (if you have set up a supervised account), including their privacy and account settings and accounts your child has blocked. If your child updates a setting, then you will receive a notification to inform you.

You can read more about the new features here:

Spotify

There have been news reports claiming grooming has taken place on Spotify (source: <https://www.bbc.co.uk/news/uk-england-manchester-64262918>).

Spotify is a music streaming service. You should be over 18 years of age to agree to the terms, or if older than 13, obtain parent/guardian consent.

There is a Spotify Kids version, but it is only available as part of a Premium (paid for) Family plan.

Spotify have produced this Parental Guide to assist you with further information but if your child does use Spotify then it may be beneficial to have a chat about what they are viewing. https://www.spotify.com/privacy/files/Parental_Guide.pdf

You can find out more about Grooming and who to contact here: <https://www.nspcc.org.uk/what-is-child-abuse/types-of-abuse/grooming/>

Is your child playing Gacha Life?

Gacha Life is rated as 9+ on the App Store and for 'Everyone' on the Google Play Store. Players can dress up characters and add props (including weapons) and create scenes with their characters as well as play games. The app does allow in-app purchases ranging from £1.70 to £17.99 and does include adverts. This article from Internet Matters provides further information and discusses in detail what you need to be aware of: <https://www.internetmatters.org/hub/safety-news/what-is-gacha-life-what-parents-need-to-know/>

Pasties were taken down the mines by the adults and children who worked there; the shape and size made them ideal for carrying. It's distinctive D shape with the crust acting as a handle, which was discarded to prevent contaminating the food with grubby, possibly arsenic-ridden hands
