

MOUSEHOLE NEWS

Friday 24th May 2024

Dyth Da Parents and Carers,

Skiff and Lugger Class have experienced wonderful trips out this week in the glorious sunshine to Paradise Park and The Barbara Hepworth Museum. Skiff enjoyed a fossil workshop as part of their dinosaur project and visiting all the different animals and watching them being fed. Whilst Lugger completed a sculpture workshop after a guided tour around the museum with a specialist. The children enjoyed the gardens and were given sketch books to draw the sculptures in the garden. The children as always were polite and behaved impeccably and this was noted by members of staff from both venues.

Well done to the year 2 children who've been working hard in their KS1 SAT's tests. They all approached them calmly and with a smile-great work all of you we are very proud!

This week the Year 3/4 football team played against Alverton at Mounts Bay school and won 6-2. Well done boys on your success.

Some children from Lugger and Schooner Classes had a fantastic time taking part in the Quad Kids athletics competition on Thursday against other local schools. The children took part with confidence and enthusiasm and Lugger children came first. They arrived back at school proudly wearing their gold medals!

Thank you to Mr Ansell, the parents, children and members of Mousehole community who turned up to help at the community garden last Saturday. The weather was kind and they managed to accomplish a lot of weeding in preparation for planting and growing this summer.

Thank you to Luggers for providing all the cakes for the cake stall today and all your support buying them!

Please can you make sure that you use the railed pathway up to school and not walk up and down the hill to keep yourselves safe. We have cars and delivery vehicles coming round that corner and it is difficult to see and past. Thank you for your support in this.

A letter explaining the class structure for the next academic year has been sent home with your child.

Hope you have a fantastic half term and we look forward to seeing you for an 8.45am start on Monday 3rd June.
