

MOUSEHOLE NEWS

Friday 19th January 2024

Dear Parents and Carers,

We have had a very creative week in Mousehole School this week, with Grace Murdoch a trained choreographer working with the children on dance routines related to their current projects. Dinghy created a routine around the frozen planet, Skiff created a coastline themed routine, Luggers moved like rainforest creatures as part of their learning and Schooner had a routine incorporating Crime and Punishment and the Chain gang. All of the classes worked well on their team work to produce some fantastic routines that had elements of choreography that they created themselves in amongst the routines.

We have recovered from the excitement of the unexpected snow on Thursday. The children had a lovely time trying to create snowmen and it was lovely to see the joy of those who have never experienced snow before!

The High 5's team had a couple of matches on Tuesday. They successfully beat Sennen 7-0 and St Mary's 2-1. A fantastic result which has enabled them to qualify for the finals after their previous successes. They have demonstrated great team work to achieve these results and Mr Ansell was very impressed.

The girls football team also played on Tuesday beating Trythall 1-0. This is an excellent result for the girls and we wish them the best of luck for the up and coming games this term.

Hope you have a lovely weekend!

Sarah Trow

Brilliant maths happening in Schooner Class this week. All of these children were sent to me for mastering percentages using the bubble technique! Lamorna went above and beyond with her learning and took it home to create her own compound words. Great work and keep it up.

The children had a fantastic time making snowmen together on Thursday.

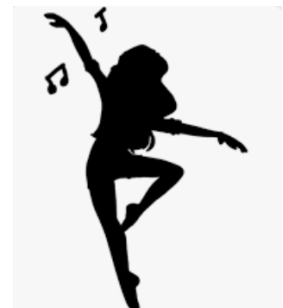

Superb wins this week in High 5's and we are through to the finals!!

Well done to the girls football team with their 1-0 win against Trythall. Keep it up for the rest of the season girls!!

The children had the most amazing week of dance with Grace Murdoch this week. This culminated in some fantastic productions that they shared with their parents in Friday's assemblies. Well done we are so proud of all of your creativity, confidence and achievements!

DATES FOR YOUR DIARY

Spring Term:

Jumping Mice weekly on Tuesdays 10.30-11.30am

Tues 6th Feb Youth Speaks Competition

Wed 7th Feb Parent Consultations 1pm-6pm
