

# MOUSEHOLE NEWS

Friday 24th February 2023

Dear Parents and Carers,

It was lovely to welcome the children back after the half term break and they have all returned with great enthusiasm.

The children thoroughly enjoyed celebrating Pancake Day in school and Dinghy class made their own purple prickly pancakes to tie in with story of The Gruffalo that they are currently learning.

Lugger Class have been harvesting some of their salad produce they have been growing in the polytunnel with Mr Ansell as part of their science project. Skiff class have been sampling their produce with many children trying different salads for the first time ever! It is fantastic that the children are able to be involved in all of these processes.

We shall be dressing up for World Book Day on Thursday 2nd March and we are looking forward to seeing all of your costumes and photos of reading in unusual places- many prizes to be won!

We are continuing to follow our skills progression theme of Empathy and Equity this term in our weekly assemblies. We want our children to have a conscientious understanding of and respect for the rights, equality and diversity of all, without discrimination. We believe it is important to equip children with the skills, attitudes and behaviours needed to develop mutual understanding and respect, empathy, trust, honesty and tolerance. We want our children to become confident, fair and responsible individuals who make informed and responsible decisions throughout their lives.

FROMS managed to raise an amazing £129 from the cake sale. Thank you for all your support from, baking, running the stall, buying and eating! We look forward to Skiffs cake stall on Friday 24th March.

Please can you ensure your child has a drink bottle, coat, healthy snack and their hair tied up if it is shoulder length.

Hope you have a lovely restful weekend and we look forward to seeing you at 8.50am for a prompt start.

Best wishes

Sarah Trow

## World Book Day at Mousehole School Thursday 2<sup>nd</sup> March 2023

This year, at Mousehole School, we would like to celebrate World Book day by setting you a two-part, book related challenge.

1. We would like you to have your photo taken, reading one of favourite books in an **unusual place**. Make sure it's safe and you have an adult with you, taking the photograph!
2. Keep the front cover of the book hidden from view because the next part of the challenge is for you to submit your photo to your teacher via Seesaw, with **only the first sentence** of the book attached. Tell your teacher what the title is in the Seesaw message, but no one else!

The best photograph from each year group will be awarded a **book prize** on world Book Day.

There will be booky challenges throughout the day at school and the children in each class will have to guess the book being read in each photograph from the sentence attached. The children will also be taking part in writing activities, inspired by the sentences.

**Please have all photos submitted to your class teacher, (with the first sentence attached and the title provided in a separate message) by Tuesday 28<sup>th</sup> February.**

On the day itself (Thursday 2<sup>nd</sup> March), please come to school dressed as a book character of your choice. It's always better to go for home-made and therefore less costly, creative costumes.

Good luck and Get reading!

*Pasties were taken down the mines by the adults and children who worked there; the shape and size made them ideal for carrying. It's distinctive D shape with the crust acting as a handle, which was discarded to prevent contaminating the food with grubby, possibly arsenic-ridden hands*

At Proper Cornish we are passionate about quality pastry, filled with great tasting ingredients, made properly in Cornwall for people who love food.

We are passionate and honest about where our ingredients come from. At Proper Cornish, we believe in supporting our local farmers. Our swede comes from Hayle, courtesy of Trevor Goldsworthy's family run farm, our potatoes come from third generation farmer Chris Dustow from Par and our onions are grown by Anthony West of Torpoint. Cornwall grows some of the highest quality produce in the world, so why go anywhere else?

# Mousehole Rock Pool

**Saturday 25th February 2023**

**10am**

**onwards...**

*We are pleased to announce our SECOND day working to restore and make our Tidal Rock Pool a little safer and more accessible for all.*

*We are looking for volunteers to help a small but dedicated team start to clear large rocks and weeds as well as identify leaks and try to remedy them.*

*We are working under permissions granted by the MMO: The Marine Management Organisation, who have checked our plans and materials for suitability and impact on both the marine ecosystem as well as the geology of the area.*

*We welcome help from all, however those with construction experience would be particularly helpful. We will be working all day, but feel free to drop in and lend us whatever time you can, whether it's the full day or just an hour, all help will be greatly appreciated.*

*If you have any tools you might be able to bring along to help that would be awesome! Particularly, turfs or buckets you don't mind ferrying ready mix cement in, water pumps, we really could use a petrol Jet wash please! If you have any stuff you think might be helpful just shout!*

*Huge thanks in advance from myself, Chris Yacouban & Elaine Trethowan and the whole "Friends of Mousehole Rock Pool" team.*

*If you have a question or want to help then feel free to email us here at:*
