

MOUSEHOLE NEWS

Friday 27th January 2023

Dear Parents and Carers,

We have had two very busy weeks with children out and about on trips and taking part in football, forest skills and walks around our local area.

Schooner had a fantastic trip to St Ives on the train visiting the Barbara Hepworth Museum and Tate Gallery as part of this terms project. They represented the school beautifully and the staff feedback about their enthusiasm and questioning whilst taking part in the activities. Silvie and Ben represented our school at the Holocaust Memorial Service at Truro Cathedral with myself and Andrew Yates. They talked about our links with the Jewish Community and the Jewish free School that was on the school premises from 1940-1941 and then the remaining children joined the main school. Also we have become the first school in Cornwall to take part in the Crocus Project where we planted yellow crocuses to represent the Star of David in memory of all the jewish people who perished in the war.

Luggers are busily planting seeds and tending to the to the community garden as part of their science project.

Skiffs went off to Lands End Airport to look at the weather station as part of their Seasons project. They also enjoyed watching the planes landing and holding the fire hose on the fire engine. They also learnt how to scare away any birds using the laser!!

Dinghy's visited Penzance Library for the first time and learnt to illustrate book covers. They came back buzzing about what they had seen and learnt.

Mousehole Mice have been taking advantage of the lovely weather, going down to the beach and on a walk through the conservation area, looking at mole and fox holes, huge cabbages and paddling in the stream. They continue to enjoy their weekly sessions at Pip Squeaks in Solomne Brown this week taking part in a zumba class.

The girls football team have played two matches over the past two weeks. They played Nansloe and Ludgvan and lost 3-0 on both occasions, despite a few changes at the last moment the girls pulled together brilliantly and demonstrated great teamwork skills. Great determination and resilience was demonstrated by all!

A huge thank to those who came a long to help in the EYFS playground last Thursday. I am sure you can already see a huge difference and we look forward to welcoming more helpers this up and coming Thursday afternoon (2.2.23).

Please can you ensure that your child has a coat, and water bottle school. We will no longer be selling tuck in school from next week so please can you ensure that you child brings in a healthy snack not crisps or chocolate/chocolate covered bars.

Our recyclable uniform rail has been very popular and we would like to have any old uniform washed and cleaned to recycle as we are running out. If you would like to leave a small donation in the black box opposite it would be greatly appreciated.

Thank you for ensuring your child is in school by 8.50am each morning ready to line up and go in promptly.

Hope you have a restful weekend.

Best wishes

Sarah Trow

Stars of the week

<p>Dinghy Class</p> 	<p>-Eugenie -Hugo H -Evelyn</p>	<p>-For taking on all the challenges of continuous provision and producing an amazing wolf drawing. -For working hard on his letter formation and blending. -For showing great understanding of weight using vocabulary of heavier and lighter.</p>
<p>Skiff Class</p> 	<p>- Ruan LS -Spencer T</p>	<p>-For coming on leaps and bounds with his handwriting and showing this in his seasons story. -For asking some excellent questions on our trip to the airport and being so engaged in our topic.</p>
<p>Lugger Class</p> 	<p>- Freddie -Brayden -Suki B</p>	<p>- So thoughtful and kind, fantastic newspaper article. - Super newspaper article and always giving his best - Brilliant acting out of our story this week and super focus in your maths.</p>
<p>Schooner Class</p> 	<p>-Jake -Sequoia -Felicity -Jago</p>	<p>- settling in to life at Mousehole and making lots of friends - elevating all aspects of her learning - Working on beautiful presentation - Being really focussed and asking good questions</p>

Jacket Potato available on request

Pasties were taken down the mines by the adults and children who worked there; the shape and size made them ideal for carrying. It's distinctive D shape with the crust acting as a handle, which was discarded to prevent contaminating the food with grubby, possibly arsenic-ridden hands

At Proper Cornish we are passionate about quality pastry, filled with great tasting ingredients, made properly in Cornwall for people who love food.

We are passionate and honest about where our ingredients come from. At Proper Cornish, we believe in supporting our local farmers. Our swede comes from Hayle, courtesy of Trevor Goldsworthy's family run farm, our potatoes come from third generation farmer Chris Dustow from Par and our onions are grown by Anthony West of Torpoint. Cornwall grows some of the highest quality produce in the world, so why go anywhere else?
