Friday 12th May 2023

Dear Parents and Carers,

Wow what a week!

The Year 6 have been fantastic during SAT's week. They have come in positively and smiley each morning and enjoyed their breakfast with mindful activities, music and a variety of cuddly toys in all shapes and sizes to keep them calm! They demonstrated confidence, perseverance and courage throughout the week and truly worked their socks off! We are very proud of them all. A big thank you to you all for ensuring they were in on time and supporting them and to the staff who maintained a calm and supportive manner throughout for them to achieve at their best. They had a well deserved trip to the beach for activities and ice creams this afternoon to relax!

There has been lots of dancing and singing in preparation for the school production and children who are performing at the Minack in July. The children in Luggar have been given their brass instruments as they begin their weekly class tuition with Mrs Burden from First Access.

Skiff have produced some wonderful lost toy posters in their literacy lessons working on description and beautiful handwriting.

Dinghy and Mousehole Mice have been taking advantage of the good weather in their outdoor area, trips to the beach and the school field to carry out their learning.

Please remember to have a water bottle and hat in school as the weather improves and ensure that your child has sunscreen applied and doesn't wear flip-flops or sandals. They must have a closed front to their shoes.

Hope you have a lovely weekend and we look forward to seeing you at 8.50am for a prompt start on Monday morning.

Please can you use the footpath when walking up to school and not the road as cars are coming and going at this time.

Best wishes

Sarah Trow
