Friday 24th November 2023

Dear Parents and Carers,

Another sporty week with our High Five team playing their first matches of the session. They beat Bodriggy 1:0 and lost to St Ives 3:0 a great start girls demonstrating excellent teamwork.

Suki B and Iona have won awards at their tennis club ceremony this week. Suki won the Ellie Williams Award for being the most promising young female player and Iona for being the Penzance Club Team Player. This is a fantastic achievement by both girls and keep up the great work.

Bethannie had great success at the BJC Judo Nationals winning gold and is National Champion in her age group of 8-10 years. This is amazing achievement by Bethannie in such a short period of time and she can now train with the British Team up in Kettering. We wish her every success in the future with her Judo.

Dinghy had a super morning with Alison Cane from oral health teaching them about the importance of looking after the teeth and brushing them correctly. They have been enjoying activities in their provision to reinforce this with great fun and enthusiasm.

Well done to Skiff Class for lining up independently first thing in the morning without their parents and to all the children who are in on time for an 8.45am start. It is really important to get the children in on time so that they don't miss their morning activities.

We have had a lot of sickness and high temperatures this week. Please ensure that you let the office know if you child is absent and please take care as there are lots of different bugs generally doing the rounds at the moment.

We shall be putting up the Christmas tree this week. If your child would like to make a Christmas decoration to put on the tree please could they bring them in by next Friday.

An advance reminder that school clubs will finish on Friday 8th December and please look at the dates below for any up and coming events through December.

Hope you all have a lovely weekend and keep well

Best wishes

Sarah Trow
