

MOUSEHOLE NEWS

Friday 13th September 2024

Dear Parents and Carers,

Welcome back to the new year at Mousehole School. It was lovely to see you all after the summer break and find out what you have been up to.

The whole school enjoyed a wonderful trip to St Michaels Mount last Friday and the sun shone brightly for us! There was great excitement travelling across in the boats, visiting the castle, story telling, drawing and trying to solve the harbour challenges. A huge thank you to Kerry Rice the education officer for organising such a super experience for all the children at Mousehole School. We all came away with fond memories of the day.

The children have all settled back into their new classes calmly and enthusiastically. They are all looking very smart in their school uniforms and a quick reminder that they should only be wearing their orange hoodies, pe kits and trainers on their designated PE days. They have enjoyed immersing themselves into their new projects and routines. It has been fantastic to see all the children here on time ready to start their learning each morning at 8.45 am. The playground is open from 8.30am to ensure you are here in good time.

Well done to all the Year 6 children who used their courage, confidence and resilience to stand up and present to the whole school about the roles they would like to have this year. The whole school voted and the children have all been allocated their roles and responsibilities for the year. I am looking forward to working with the Leadership team this year.

Hopefully everyone is able to access Seesaw and the teachers have uploaded any relevant information that you require for the new term. Please don't hesitate to let us know if you are having any issues.

A quick reminder regarding attendance/lateness/absence-please inform the office first thing in the morning if you child is unwell or has a medical appointment. Your child is expected to be in school during term times and any holidays will be unauthorised and there is now a penally notice in place as a Government initiative to ensure all children access their education.

Thank you for all your support in registering for our new cashless system with Aspens catering, this will much more efficient moving forward.

Please ensure that your children has a water bottle, healthy snack, coat and suncream in school, especially as we are experiencing varied weather currently.

Hope you all have a wonderful weekend and we look forward to seeing you all again on Monday.

Best wishes

Sarah Trow

HOUSE POINTS:
