Friday 14th July 2023

Dear Parents and Carers,

Wow what a week!

It started with a selection of children across the school singing and dancing at the Minack in The Lullaby Of The Tides on Monday. Despite the awful weather conditions they sang and danced beautifully as part of a production with other local schools.

This was followed by two brilliant performances of The Wind In The Willows on Wednesday. The children had worked tirelessly with Ms Judge, Mr Mullaney and the staff to bring their best performances to the stage. It was a joy to see every member of the school take part in the singing, dancing, speaking, acting, lighting and props. The main characters demonstrated great courage and determination in their singing solos and went from strength to strength. It was lovely to see their confidence grow. Thank you for all the lovely feedback we have received, they were a real credit to both you and the school.

On Thursday we were wowed further by the delights of Lugger Class and their brass assembly! They have been learning to play a selection of brass instruments with Mrs Burden from the Cornwall Music Service. It was wonderful to see the whole class playing together with such enthusiasm and confidence and the achievements they have made over such a short period of time. They had the children, staff and parents swaying and clapping along with joy. A big thank you to Mrs Burden and please let us know if your child would like to sign up for further lessons.

In the afternoon Dinghy and Lugger Class had a visit from Mr Troup and Stacey from Mounts Bay Academy They had an amazing afternoon of science activities including making their own fire work using a film case!

Schooner, Skiff and Lugger Classes also had a great afternoon down in Mousehole Harbour with Sennen Surf Club taking part in relays, paddle boarding and teamwork games- great fun was had by all and the sun managed to shine!

Thank you to all the parents and grandparents who came along to join the Year 6 children for lunch today it is always lovely to welcome you into the school and the children enjoyed sharing their lunch with you.

A big well done to Bethannie who managed to win a gold medal at her competition in Bristol at the weekend beating some girls who are at national level. She is progressing rapidly in her Judo and we wish her continued success!

Sadly next week is the last week that Miss Natasha Brookes will be with us. She has decided to spend more time with her young family. I would like to take this opportunity to thank her for all her hard work and support with all the children she has taught during her time at Mousehole School. We will miss her and wish her every happiness.

I will keep you updated regarding the Sports Day on Monday as the weather is looking very variable.

We look forward to seeing you at 8.50am for a prompt start on Monday morning for our final week.

Best wishes

Sarah Trow
