What's Been Happening This Week - 23.1.26

Dear Parents,

Dyth da,

Congratulations to Agnes, Arthur and Iona for winning the Youth Speaks local competition on Wednesday with their topic of "Are smart phones really smart?" They spoke with clarity, presence and pronunciation. We were so proud of their composed confidence as they were up against excellent competitors as well as presenting to judges and a large audience in the Penwith College Lecture Hall. We look forward to seeing them compete in the regionals later in the term!

The Well Being Ambassadors would love to invite you along to their assembly explaining the Decider Skills they have been learning. Please come along and show your support for the great work they are sharing across the school with Ms Munday and Sarah Sejahtera. We look forward to welcoming you on Thursday 29th January at 2.30pm.

I am very excited to inform you all that the school playground will be officially opened on Monday 23rd February with Kiers and the Environment Agency. We are holding a volunteers day with Kiers and the Environment Agency on Thursday 19th February from 9.30am-4pm. If you are able to give some of your time it would be greatly appreciated to help with planting up the planters, paint areas in the playground and repair damage in the school field and enjoy a cup of tea and a cake. We are also asking if any of you have or know someone who could donate any plants or bushes to go in the planters. Please let the office know if you are able to attend on the day.

Please sign up and pay FROMS if your child would like to attend the Valentine School Disco on Friday 13th February from 5.30pm-7pm so they can order the correct amount of food and refreshments, link on poster below.

Next Friday is Lugger cake stall-please come along and support this fundraiser and let FROMS know if you are able to support in anyway.

We shall be sending home parent consultations letters next week so look out for them in your child's bag!

A reminder that Monday 26th January is an INSET DAY and school will be closed.

We hope you have had a lovely weekend and look forward to seeing you all on Tuesday.

Best wishes

Sarah Trow and all the Mousehole Staff

Exciting offer.....

We have 2 spaces
for 2 families from
Mousehole school
to do VIG

- VIG consists of being filmed playing with your child in school or at home. Then we edit the footage to show you all the positive things you are doing, and analyse this together. This is one cycle. We offer 3.
- VIG is really positive and strength based
- VIG works well if you are struggling to manage your child's behaviour or if you'd like to feel more connected to your child.
- All the families I have worked with have had amazing results and enjoyed the process

If you think you and your child could benefit from VIG, then please speak to your mental health lead in school - Ms Addrienne Munday
