

MOUSEHOLE NEWS

Friday 4th November 2022

Dear Parents and Carers,

Welcome back to a new half term. The children have all settled in happily and thrown themselves back into their learning with great enthusiasm and determination.

Dinghy Class visited Lands End Airport and had a wonderful time in an aeroplane manning the controls and getting inside the fire engine and came back talking about their experiences with great enthusiasm. Skiff Class visited Castle Brea Farm and were able to meet a variety of animals and hold the guinea pigs. Year 2 Skiffs had a super time this week at their woodland skills in Trevaylor Woods with Mr Dansell and Mrs Perry enjoying the different wildlife and playing win the swings. All the children have started to practice the Christmas songs and carols with Ms Judge on Thursday and there was great delight around the school for the impending event.

Please come and join us for our **FROMS annual general meeting on Friday 11th November at 9am** in the school hall. We are looking forward to welcoming you in supporting us in building the FROMS team and organising our first fund raising events for the year.

From Monday the children will be able to purchase poppies and other merchandise from Katie and Elijah who will be setting up a stall each break time this week. Poppies will be 50p and they can buy slap bands, rulers, keyrings, wristbands, rubbers, pencils, sharpeners, stickers ranging from 50p-£1.50.

We will be celebrating Children In Need on Friday 18th November by wearing spots and bringing in donations of a £1.

Just a quick reminder that all children need to bring a water bottle, healthy snack (fruit or a fruit bar) and a coat into school now the weather is more wintery.

Thank you for ensuring your child is in school by 8.50am each morning ready to line up and go in promptly.

Hope you have a restful weekend and enjoy the fireworks!

Best wishes

Sarah Trow

Stars of the week

Dinghy Class 	Otis T Bunny P	-For great ideas when investigating materials from a safety jacket. -For being helpful and kind when her classmate was upset.
Skiff Class 	Lamorna P Ruan L-S	- For catching up on her maths and pushing her self to do more completing the pages -For recalling all of his sounds we have learnt in phonics and it showing in his spellings.
Lugger Class 	Suki P Esme C	-For her resilience when focusing on her column method in maths and using subordinate clauses in her sentences. - For her excellent attitude to learning, grasping the column method in maths and her determination to succeed
Schooner Class 	Oliver Ruan Zelda	-For his super work in multiplying and dividing large numbers, using written methods and accuracy. - For showing a great recall of the method needed to multiply and divide 4 digit numbers. -For your quiet determination and joining in and getting involved in PE and listening carefully.

[The Knowledge Spa, Truro](#)

APPRECIATING CHANGE UK

This event offers an exciting chance to influence the future of service delivery in your area. Designed on co-creation principles, the event creates space for all voices to contribute to shaping this exciting new approach to meeting all children's developmental needs. Working in a structured way in small groups, guided by skilled facilitation, we will discover together what the changes mean, what they can deliver, what we already have that works, and what needs to be changed to ensure the aspiration for a truly child-centred service is delivered.

CORNWALL AND ISLES OF SCILLY DEVELOPMENTAL DIFFERENCES PLAN

TO BOOK YOUR PLACE

Please click on the venue above.

We know that too many people are waiting too long for an assessment for Autism, ADHD and other developmental differences. Despite investment, our teams are struggling with the volume of referrals. Referrals often do not meet the criteria for assessment, but we know that help may still be needed.

Parents have told us that it is difficult to find help whilst waiting for an assessment. Often having had an assessment there is little in the way of help available.

They have told us that they need access to better help and earlier, including access to experts to support managing the challenges children and young people are facing.

Young people have told us they want us to help their parents to help them.

We think we might have found a way of supplying better support and help but this will require changing the way people are currently referred for an assessment or diagnosis.

We would like you to come and discuss how we might make this work for Cornwall and Isles of Scilly. There are three dates when you can join in across Cornwall.

Isles of Scilly has a dedicated virtual event in December.

HELP WITH COSTS

We want to make it as easy as possible for you to join us.

Throughout the day we will be providing refreshment breaks and lunch. Please remember to let us know any dietary needs when you book, by clicking on the venue of your choice, in this leaflet. For parents and carers we will also be able to arrange for the refund of public transport costs via a claim form at each event.

If you plan to drive, you can reclaim parking costs and a set mileage allowance is also available via a claim form at each event. Separate quiet areas are available for children and young people participating in the day, who need sometime away from the discussion.
