MOUSEHOLE NEWSLETTER

What's Been Happening This Week - 13.11.26

Dear Parents and Carers,

Dydh da,
It has been another busy and productive week at Mousehole School, with our children embracing a wide range of opportunities both in and out of the classroom.

I was incredibly proud to accompany Ezra, Patrick and Milo to the Remembrance Service at Mousehole War Memorial. They represented our school community with maturity, respect and dignity, laying the wreath on behalf of us all. Events such as these are an important reminder of the values we hold dear and the role our children play within the wider community.

Throughout the week, pupils have been taking part in our Children in Need Daily Mile Challenge. It has been wonderful to see such enthusiasm, determination and community spirit on display. The children enjoyed finishing the challenge dressed in their spotty outfits and we are very grateful for the generous support from families in raising money for such a worthwhile cause. So far we have raised £1241.55-amazing job everyone!!

We were delighted that Mousehole Mice and Dinghy Class were able to visit Penzance Library this week. Encouraging a love of reading is one of our key priorities, and having their own library cards gives children access to a fantastic range of books and resources beyond the school day.

Our sporting success continues to flourish. Congratulations to Kerra, John and Mawgan for their excellent performances at the cross-country event at Hayle School. Representing the school takes courage, commitment and perseverance, and we are extremely proud of their achievements. We also celebrated our hockey team's first match of the season and look forward to following their progress in the coming weeks.

Community Events

Fix It Friday and Lugger Cake Stall
This Friday, 20th November, we are looking forward to welcoming Mark Hayward to school for our annual Fix It Friday. Mark will be available throughout the day to carry out free bicycle repairs for both children and adults, so please bring along any bikes that need some attention. After school, Lugger Class will be holding a cake stall. We would be grateful if Lugger parents could bring cakes to Reception in the morning for sale to the whole school from the Wooden Learning Space. Thank you for supporting this FROMS fundraising event.

Lantern Making with Billy Wynter
On Wednesday 2nd December, Billy Wynter will be working with Schooner Class to create lanterns. If you are able to help with this activity, please let Mrs Freeman know via the school office by Friday 27th November.

Christmas Fayre
Our annual Christmas Fayre will take place on Monday 7th December. We would be very grateful for any raffle prize donations. If you are interested in running a stall, please contact the FROMS team or the school office. Stalls are available to hire for £10.

We hope you all have a lovely weekend and look forward to seeing you on Monday.
With best wishes,
Mrs Sarah Trow

STARS OF THE WEEK

This week's Star of the Week goes to Freddie, Sebastian, Neve, Joselyn and Henry S. For settling in so well to Mousehole School, fantastic writing and brilliant engagement, listening and asking questions.
Well done to you all! ⭐🏆

Wellbeing Ambassador Report

- Thank you to Miss Hutton for teaching Schooner.
- Thank you to Phoebe for being kind to Martha when she was feeling sad.
- The lunchtime library session was a big hit- thank you to Ms Munday for organising.
- Welcome to all the new children who have joined us this half.

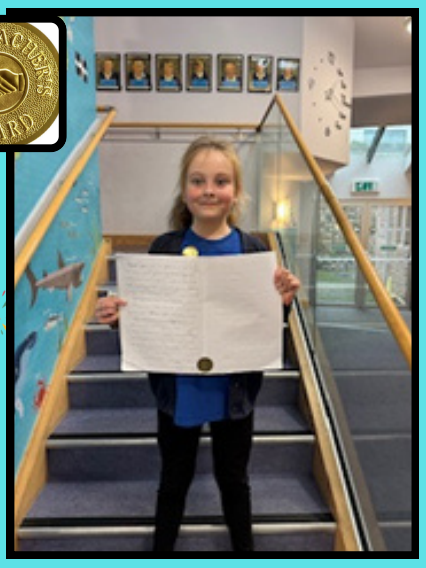

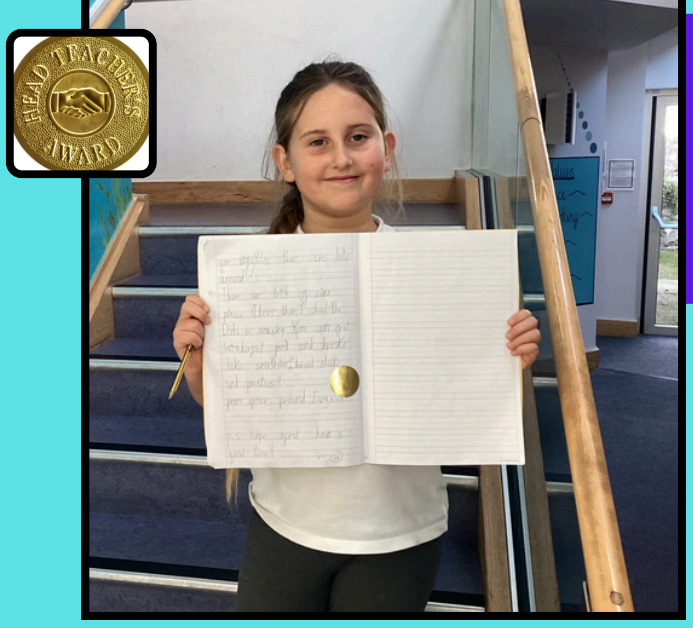

Congratulations to Florence, Axel,Margot and Martha for showcasing their work. We are working hard to produce our best work at all times by demonstrating our school values of respect, hard working, confidence and kindness.

Congratulations to Jocelyn and Morwenna for achieving their 33 and 22 club in Lugger Class. Keep up the good work and keep practicing!!

Headteachers awards this week go to Zennor, Ivy, Joselyn and Margot for their fabulous handwriting and using subordinate conjunctions in their letter writing. Brilliant work.

A big thank you to the Leadership Team for representing the school brilliantly at the Remembrance Service on Sunday 8th November in Mousehole and placing our school wreath in honour of the fallen soldiers.

Mousehole Mice and Dinghy had a super time travelling by bus to the Penzance Library. They have all got their own library cards to choose books and use this wonderful resource in the future.

Thank you to all the children and staff for taking part in our Pudsey challenge of walking a mile a day over the past 2 weeks. We finished it off by wearing spots on the last day. Congratulations on raising£1241.55 so far!

Congratulations to Clara for coming second in her music competition this week- a fantastic achievement!!

Congratulations to Kerra, John and Mawgan for their fantastic achievements in cross country at Hayle School this week. They came 2nd,32nd and 58th overall.

Well done to the hockey team who played 4 very close matches against Gulval,Trythall, St Buryan and Alverton. Mr Ansall said it was a fantastic effort from all as for many it was ther first match. Well done to all of you.

Attendance

Attendance target for all pupils:96% or above

Dinghy: 97.7%
Skiff: 97.6%
Lugger: 93.3%
Schooner:90.7%

Attendance Matters

Good attendance is one of the most important factors in helping children achieve their full potential. Every school day provides valuable learning opportunities, and even a small amount of missed time can have a significant impact on a child's progress, confidence and friendships.

We understand that children will occasionally be absent due to illness, but we encourage families to ensure that pupils attend school whenever possible and arrive on time each day. Establishing strong attendance habits from an early age supports children in developing routines, resilience and a positive attitude towards learning.

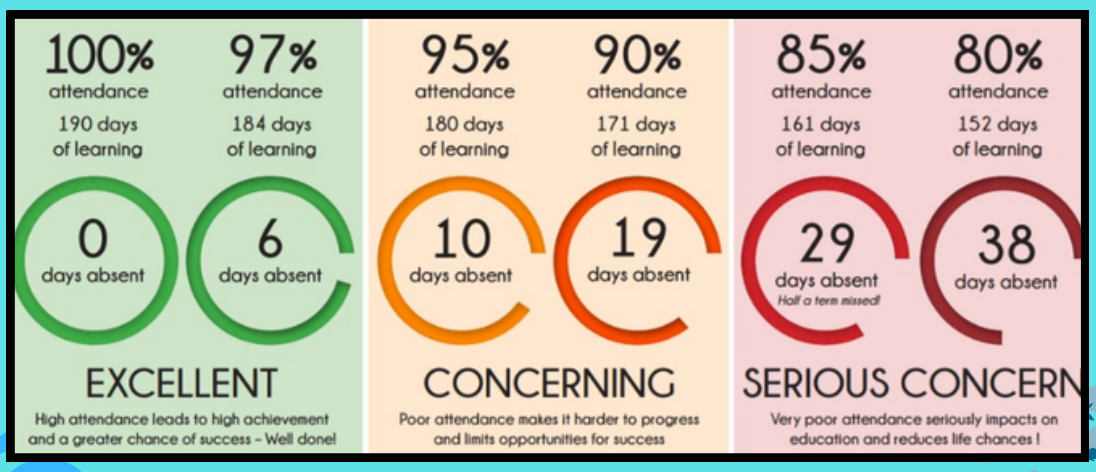

This year, we will continue to work closely with families to promote excellent attendance and to provide support where needed. If you are experiencing any difficulties that may affect your child's attendance, please do not hesitate to contact us. We are here to help.

Our attendance target for all pupils is 96% or above.

Did you know?

- 95% attendance means your child misses around 10 school days each year.
- 90% attendance means your child misses almost 4 weeks of learning across the school year.
- Regular attendance supports academic achievement, wellbeing and positive relationships.

Thank you for your continued support in ensuring that every child is in school, on time and ready to learn each day. Together, we can help every child make the most of the opportunities available to them at Mousehole School. 🌟

Dear Parent/Carer

Here at Mousehole School we recognise that there are occasions when it is appropriate to authorise an absence, such as when a pupil is genuinely too ill to attend school.

However, the Government does not support parents taking children out of school unless the school agrees this is appropriate under *'exceptional circumstances'*. Any request for leave should be made in writing to the Headteacher using the school's *'Leave of Absence Exceptional Circumstances'* request form.

If your child is absent from school without authorisation, you will be committing an offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices are issued per liable parent, per child and each carry a fine of £80 if paid within 21 days or £160 if paid after this but within 28 days.

If your child is further absent from school without authorisation within any 3-year period, you will be committing a further offence under the Education Act 1996. We may submit a request to Cornwall Council for a Penalty Notice to be issued, in accordance with Sections 444A and 444B of the said Act. Penalty Notices for a second offence are issued per liable parent, per child and each carry a fine of £160, payable within 28 days.

Importantly, fines per parent will be capped to two fines within any three-year period. Once this limit has been reached, other action such as a parenting order or prosecution will be considered.

Failure to pay the Penalty Notice may also result in legal action. If you are prosecuted and attend court because your child has not been attending school, you could get a fine of up to £2,500. Cornwall Council may also apply for the costs incurred in taking the matter to Court, including legal costs.

Absence not authorised by the school may also result in a prosecution in the Magistrates' Court under Section 444(1) or Section 444(1A) of the Education Act 1996, leading to a fine of up to £2,500 and/or a custodial sentence. Again, Cornwall Council may also apply for the costs incurred in taking the matter to Court, including legal costs.

Money raised from fines is only used by the local authority to cover the costs of administering the system, and to fund attendance support. Any extra money is returned to the government.

'Parent' as set out in Section 576 of the Education Act 1996, defines parent to include: natural parents, whether they are married or not; any person or body who has parental responsibility for a child (as defined by the Children Act 1989) and; any person who, although not a natural parent, has care of a child. Having care of a child means a person with whom a child lives and who looks after a child, irrespective of what their relationship is with said child.

You are welcome to contact the school to discuss any concerns you may have regarding this or if you feel you would like advice or support in helping your child attend more regularly. Mousehole School is committed to enabling every child to reach their full potential and aims to work with parents to ensure this can be achieved.

Yours sincerely
Sarah Trow

Spotify Parental Controls

Spotify is a music streaming service. You must be aged over 13 to access it. If under 18, parent/guardian consent is required. However, under-13s can access Spotify through a managed account set up by a parent or legal guardian.

Since July 2026, Spotify has provided parental controls for managed accounts on both free and premium plans. These controls:

- turn messaging off.
- turn explicit content off.
- turn videos and canvas off.
- allow you to block specific artists or tracks.

Online Grooming

What is Online Grooming?

Online Grooming is when an adult builds a relationship online with a child to manipulate, exploit, or abuse them.

How does Grooming take place?

Groomers often use fake profiles to pretend they are someone they are not, for example they may claim to be younger than they really are or pretend to be a person of influence. They will use flattery and attention to build trust and friendship. They may use online games or social media to initiate contact but then encourage your child to switch to a different app to chat with privately - usually on an app that offers limited or no parental controls and/or encrypts messages.

What can I do?

- Use appropriate parental controls.
- Set privacy settings.
- Show them how to use any blocking or reporting tools.
- Chat to your child regularly about what they do online and who they communicate with. Remind them that people online may not always be who they say they are.

What are the signs that my child is being groomed?

- Being secretive about who they are talking to.
- They become withdrawn from family and friends.
- Appearing anxious or upset after receiving messages.
- Receiving unexpected gifts.

Find out more here: https://learning.nspcc.org.uk/safeguarding-child-protection/offender-gaining-trust

What should I do if my child is being groomed?

- If you think your child is in immediate danger, contact the police.
- Stay calm and reassure your child that they are not to blame.
- If you are worried about online abuse or the way somebody has been communicating with your child online, report it to CEOP: (https://www.ceop.police.uk).

COM Networks

COM Networks are online communities where harmful and deeply disturbing behaviour occurs, including child sexual abuse, cybercrime and extremism. These networks operate on mainstream messaging apps, gaming platforms and through social media. **It is important to be aware that such networks exist and understand the risks they can pose to children.** Introductions to COM Networks can begin with harmless conversations on a game or social media platform, but then as trust builds, groups will gradually introduce harmful content, extreme challenges and pressure to prove loyalty. Some groups use threats, humiliation or the threat of exposing private information to control members. Images, messages or personal details may be used to blackmail victims.

What should I look out for?

- **Increased secrecy**
- **Emotional or behavioural changes**
- **Unfamiliar language:** using new expressions or discussing extreme content, opinions or beliefs.
- **Unexpected gifts**

Sky News investigation into COM Networks (and links on popular sites such as Roblox and Discord)

You may have seen Sky News' investigation into COM networks. The report highlights findings from a six-month investigation that found self-harm-themed avatars, clothing and related content available on the gaming platform Roblox, including items that could be accessed by children as young as five years old. The report can be viewed here, please be aware that it contains upsetting content: https://news.sky.com/video/inside-robloxs-dark-side-sky-news-finds-self-harm-avatars-available-to-young-children-13592551

How can I protect my child?

- Have regular and open conversations with your child. Ask your child what they do online and who they communicate with.
- Reassure them that they can always ask for help, even if they have shared something personal or broken a family rule.
- It is important to remember that threatening to confiscate their devices may make them less likely to talk to you when something goes wrong.
- Regularly review privacy settings and set up appropriate parental controls on all devices your child is using.
- Ensure your child understands the risks of sharing personal information or intimate images online.

WhatsApp Channels and Parental Controls

Users must be at least 13 years old to use WhatsApp. Children under 13 can access WhatsApp through a parent-managed account.

WhatsApp Channels

WhatsApp Channels are a one-way broadcast tool to send updates to followers. Channels can be found in the Updates tab. From here you can view a whole host of channels, including channels that will not be age appropriate and may include adult content. If your child has their own WhatsApp channel, then you need to be aware that they are public. Anyone can view and follow a channel and anything you share on your channel is public. We would recommend that parental controls are used to prevent children creating and accessing WhatsApp channels.

Parent Managed accounts

Parent managed accounts are required for those under 13. These accounts have additional safety restrictions and do not allow access to features such as Channels, Meta AI and location sharing. You also have control over which groups they can join.

Parental Controls for Teenagers

For users aged 13 to 17, WhatsApp offers parental control settings to limit access to certain features such as Channels.
