

# MOUSEHOLE NEWS

Friday 14th June 2024

Dyth Da Parents and Carers,

There is a hive of activity in school currently with the children working hard on their learning and sharing their knowledge and understanding regarding their current projects. Alongside this they have been creating Mazey objects for the parade. We are looking forward to working with David Eddy this up and coming week to create the main images. The children are all in full swing for our production of "Gruel" with singing, acting and dancing happening around the school.

Skiff Year One children have worked hard learning their phonics this year and have been completing their phonics screening confidently and happily. Year 4 also approached their multiplication check with speed and confidence- well done to all of you!

Lugger had two dance sessions this week with Grace Murdoch in preparation for the Operation Kernow production they are taking part in on Monday 15th July at the Minack Theatre.

Mousehole Mice had a superb session with staff from Penlee Hose Museum on Monday looking at old household objects and making and playing with toys from the past. They are following this session up at Penlee House next week followed by another session in school the week after. A wonderful experience for our youngest children.

Dinghy have continued their work on lifecycles after the release of their butterflies last week, producing some lovely 3D pieces of work with fantastic labelling.

A quick reminder regarding E-safety - Please can you ensure that your children are accessing age appropriate content and that primary school children should not have social media accounts.

Please remember to use the pathway up to the school as there is traffic coming and going on the road into school.

We have another busy week ahead and we look forward to seeing you all in school to take part. Please let the office know if your child is unwell and give daily updates.

Congratulations to Charlie for achieving a head teachers award this week for his fantastic knowledge on number bonds to 10.

Congratulations to Lilah for achieving Level 3 in her gymnastics-keep up the good work!

Mousehole Mice had lovely visit from Penlee House Museum. Looking at old fashioned household objects and making their own toys and games to play with.

Dinghy have been creating their lifecycles of a butterfly this week after the great release of their homegrown butterflies last week. They created each element and labelled. Super work and knowledge Dinghy Class!

# CAPE CORNWALL SCHOOL

## SATURDAY

Years 4, 5 & 6

Saturday 22nd June 2024 | 10.00 - 12.30

### DRUM & BASS MUSIC PRODUCTION

You will be guided in creating your own original Drum and Bass dance music track from scratch using music technology. At the end of the day you will be able to take your music away on CD to show your friends and family!

### EXPLORE NATURE'S SECRETS

Join us for a hands on adventure into the world of habitats and genetics. You'll get crafty by constructing a bug hotel to take home to support your local wildlife. Plus, dive into the building blocks of life by extracting DNA from a strawberry. Don't miss this exciting opportunity to become a young scientist for the day.

### ROBOT PENCIL HEADS!

Create your very own Robot Pencil Head in our Design Technology workshop. Come and get involved in all things 'making', including designing, sticking, gluing sanding, drilling and painting!

### TOWERS THROUGH TIME

From the Pyramids to the Burj Khalifia - investigate different periods in our history and why humans have always strived to 'reach for the stars'! With limited resources, compete to construct your own tower and see which will reach the highest heights.

### SPORTS MANIA

Are you sporty? Why not join us for a Mini Olympic fun session - summer style - with tennis, dodgeball, cricket and athletics.

Click on the link below for the Yr 4, 5 and 6 parents who are interested in attending.
